Front Standard Cover or Front Divider Template

Please use this guide when submitting your cover electronically.

- The Soft Cover/Divider trim dimensions are 5.5" x 8.5" as represented by the light blue shaded area with a black dotted line.

- If you want your art to bleed, your artwork should be submitted to cover the 5.625" x 8.625" dimensions as shown by the dark blue area. No essential design elements should fall within this area so they aren't close to getting trimmed off.

- No wording or any essential part of the art should fall in the $^3/_8$" binder punch area, represented by the red area to the left.
